Here we are in Panama:

Boquete

Come visit the beautiful valley of eternal spring!

The world of Jazz and Blues has a new destination: Boquete/Panama!

The beautiful Chiriqui Highlands have long been one of Panama's most favorite vacation and retirement spots, and the jewel of Chiriqui province is beautiful Boquete, home of about 15,000 including some 1500 retired expats from all over the world. Located at an elevation of 3000ft it is also the home of some of the best coffees in the world. The cool, crisp mountain air, delicious fresh mountain water, an abundant nature with lots of flowers, flamboyantly flowering trees and hundreds of species of birds plus the closeness to two oceans have attracted visitors from all over the world. The natural beauty of Boquete is the perfect setting to stimulate the creative talents and artistic abilities of those who live here as well as those who come for a visit. So it is no surprise that this small town hosts a lively art and music scene. The 7th annual Boquete Jazz&Blues Festival will again showcase an exciting mix of Latin Jazz and original North American Blues. Check out our website for more details!
